

Introduction

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All About Allie 's Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Four of Spades

The Card of Security and Satisfaction

The Four of Spades is the card of satisfaction through work. This is one of the most 'solid' of all the cards in the deck. The people of this card often seem like a 'rock' or square in some fashion. They are stable and hardworking and can be counted on when you need them. They have one of the most fortunate life paths in terms of money and success and usually enjoy the work they do. However, their Saturn card, the Ace of Diamonds, tells us that even though they are fortunate, they usually worry about money anyway, and this can interfere with their own success if not checked. The Ten of Hearts in Mercury usually gets them instant acceptance at social occasions and they make good communicators or speakers. Some can be successful writers, advertising executives or performers of the literal arts.

Fours can be very stubborn and the Four of Spades has the right to be. With the Ten of Clubs Karma Card they know a lot and must live by their own truth. They are very intelligent and intuitive and dislike being restrained in any way. The Ten of Diamonds in Venus gives them wealthy friends but they should not place too much emphasis on money with their choice of friends or lovers.

They usually have a good constitution and health is best cared for by natural methods. They are a worker card and it is in their work that they find true peace and satisfaction. Often they will align themselves with a humanitarian mission and find great satisfaction there.

The later years are often spent fulfilling their dreams of traveling the world, something they usually don't get enough of in their early years.

Some of the Four of Spades Issues Concerning Relationships

These are very giving and loving people, and though they can be tough and stubborn, they will usually give you anything from the generosity of their heart. They are attracted to those of

financial means and can get caught up in trying to 'look good' in their relationships and forget the real values that good relationships are based on. It is usually not wise for them to mix money and pleasure or business and personal relationships. Problems are the usual result of such mixtures for them. They would like someone they can travel with and their karma for marriage is better than average.

All About Allie 's PR Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ten of Diamonds as Your Planetary Ruler

Be grateful that you have this card as a ruling card because it bestows some genuine good fortune on all who possess it. It is called the 'blessed card' and so many things in life will be just given to you. However, this does not guarantee your happiness. That will always depend upon your appreciation for what you have. This card also gives you an innate business ability. You could do very well in your own business, and the larger it is the better. You probably enjoy being the center of attention and have some natural abilities, either artistic or otherwise, that can get you that attention. In relationships you are very self-centered and somewhat high strung. For these reasons, you may have some challenges in this area.

All About Bill 's Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Two of Clubs

The Card of Conversation

Among the people of this card you will note a wide variety. Many are fearful of everything, especially being alone, and will do everything in their power to make sure they are surrounded by people who admire them. All are sociable and enjoy good stimulating conversations. Then there are those who are reclusive and appear to need no one. In truth they are just as afraid and always have one special person that they attach themselves to. The Ace of Spades displacement can mean an inner fear of death or change and this explains much of their behavior.

However, these people are well endowed with many natural abilities and gifts. They can be exceptional in business and with people, preferring to work in partnership rather than alone. They actually have one of the more fortunate life paths. There is much protection surrounding this card and they all have much to be grateful for. If they simply recognize the abundance in their lives, they will help to dispel their underlying fear that can do so much damage.

The Two of Clubs loves to talk and share ideas. They have an incredible mind that can make the finest distinctions. They are witty and charming, unless they are caught up in their fear which makes them irritable and argumentative.

Much of their life is fated and part of their challenge is to simply accept things as they are, especially themselves and their closest relationships.

Some of the Two of Clubs Issues Concerning Relationships

Some of the most beautiful people are Two of Clubs and their love relationships are more a reflection of their state of inner wellness than of any other factor. If their inherent fear has not been recognized and confronted, they will often settle for anyone, just to not be alone. This can lead to co-dependent and other undesirable relationships.

They have more than the usual share of idealism in love and romance. This can make for some very romantic times but also some very painful disappointments when these ideals conflict with reality. However, with awareness they can make good choices in relationships and separate their own fears from their self-worth and lead a happier life.

All About Bill 's PR Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Jack of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of creative energy and makes you a playful person. Your creativity is especially good for coming up with good ways to make money and you have innate sales ability that could make you wealthy. You have a youthful countenance and will always enjoy having a good time. However, some may call you irresponsible if you let your good times become too important. You probably gravitate towards entrepreneurial work where you can put some of your ideas into action. You value your personal freedom above all else and for this reason and others may find that long-term commitments have a hard time fitting into your plans. It would take a very particular kind of relationship to meet all your needs.

All About Love Connections You Share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

First Connection

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Bill is the Jupiter Card to Allie in the Spiritual Spread

This is one of the past-life or 'earned' connections, and it happens to be one of the better ones in terms of what it brings into the lives of Bill and Allie. This particular connection indicates that Bill and Allie shared a past life where they held the same spiritual or philosophical views. There is a strong possibility that during that lifetime, these philosophies and beliefs were a major theme in their life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction.

Now that they have found each other, Bill and Allie are reminded of the connection they once had. By being together, many positive results are manifesting in their lives. Bill enjoys being the giver in this relationship and he will give everything that he can to Allie as a natural expression of his love for her. He will provide guidance and inspiration when it is needed and will act as a reminder of the high level of truth and integrity that they once shared.

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Allie is the one who receives most of these benefits because she is on the receiving end of this connection. Bill also benefits because giving is in reality another form of receiving. Bill and Allie have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow into one of the most important cornerstones of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives.

In particular it is up to Allie to stimulate this potential by practicing the art of appreciation for the many good things she shares with Bill. Appreciation is one of the magical keys to prosperity, one that could unlock the door to her most cherished desires. When the natural giving that Bill does is complimented by Allie's felt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many couples who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, Bill and Allie have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.

Affirmation for Bill: I am glad to be a blessing in Allie's life and hope that I can give her all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Allie must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Allie: I am grateful for the presence of Bill in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

Second Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allie is the Mars Card to Bill in the Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Allie and Bill have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Allie and Bill will feel some sort of familiarity when they meet, and there could be a strong

attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Allie is a strong stimulant to Bill. She will either excite him, make him angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Bill will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Allie and Bill were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Allie and Bill may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Allie and Bill will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Bill is probably the one who allows Allie to anger him. Because Allie is his Mars Card, he is the one who is reacting to Allie as a Mars influence. He also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Bill and he probably chose Allie to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Bill may be affected a little more since he is the one receiving most of the Mars energy. If Allie and Bill take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Allie: I am aware of how much I stimulate Bill and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Bill: I accept Allie as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

Third Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allie is the Uranus Card to Bill in the Spiritual Spread

This is one of the past-life connections that tells us that Allie and Bill have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Allie and Bill have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, Bill may be the one who is most affected by Allie's behavior. At times she may seem to act in such an unexpected manner that Bill is taken off balance by her. If he places big demands or expectations upon her, Allie will seem to be even more uncontrollable and

unpredictable, which may engender even more uncertainty for him. This is because Bill is the one who is receiving the Uranian energies the most, unless other connections point out that Allie is also receiving some. In any case, the call here is for Bill to drop his expectations and learn to appreciate the time and things that he does share with Allie, instead of focusing on the parts that he is not getting the way he wants. This can be an easy lesson or a hard one, it depends mostly on Bill and his attitudes. We might say it is a matter of having both faith that Bill will get his needs met and his having appreciation for all that he does have in the context of this relationship.

However, this connection tells us that Bill has already learned these lessons in the prior lifetime. He probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Allie and Bill to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their friendship.

Affirmation for Allie: I realize the powerful effect I have on Bill. Though I will never allow him to control me or dictate my actions, I will express my love to him so that he knows that I really care.

Affirmation for Bill: I allow Allie to be completely free to be herself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

Fourth Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Sixth Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allie is the Moon Card to Bill in the Spiritual Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense that we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. Couples who have this connection often experience instant recognition of each other, or love at first sight.

Because they had been together before in a meaningful way, there is a certain sense of intimacy and emotional closeness when they meet, even if they have never seen each other before in this lifetime. This unexplainable sensation is one of the most attractive situations to those seeking a partner. It is not surprising how many people with this connection have gotten married, or at the least, had significant relationships together.

In this relationship, Allie is a Moon Card influence to Bill. Her presence in Bill's life is like a healing balm that soothes him. She provides Bill with nurturing support and a sense of foundation, security, home and settledness. Bill, on the other hand, brings many good things into the life of Allie. He brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. Whether they realize it or not, Bill is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind however, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Allie is not willing to be the supportive, nurturing person in this relationship, or if she is unwilling to take the back seat to Bill in key situations, this relationship may not last. Likewise, if Bill is unwilling to provide leadership, perhaps because he doesn't have any clear direction for his life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When Allie and Bill are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Allie: I am very grateful for Bill's presence in my life. He is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Bill's support person. It feels natural to give of myself in this way.

Affirmation for Bill: I am grateful for the presence of Allie in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that she does for me and our easy and natural communications.

Seventh Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allie is the Cosmic Lesson Card to Bill in the Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. Because it is one of the universal or cosmic connections, it has more to do with how this couple connect in relationship with the world around them. Specifically, Allie is a reminder to Bill of how he has, or could have, an important role to play in terms of helping mankind. This is about Bill's career and role in the world. If he is not career-minded at all, then Allie's influence may just have some implications about whatever role he is playing in his life, as seen by others. But, in some way, Allie's presence in his life is telling him that he should be doing this or that - essentially things that will both improve his life as well as help others through his contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Bill if he is searching to find his purpose, or to decide what kind of work would best fit him. By studying our Cosmic Lesson Card, these sorts of things are revealed. The fact that Bill has attracted someone who is his Cosmic Lesson Card into his life is probably an indication that he is ready to achieve some of his potential, or that he will be lead to his rightful place, workwise, by Allie's influence in his life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. The only discernable characteristic might be Allie's reminding Bill of his highest potential, or somehow offering suggestions that may help his career. However, Allie's presence in his life already serves as that reminder. She may even be involved in the kind of work that he aspires to, or may eventually become involved in. In other cases, it could be the way she does what she does that is a clue for Bill as to what it is that can benefit his career or direction.

Affirmation for Allie: My awareness of how I am a reminder to Bill of how he can make a valuable contribution in this world reminds me that I am an important influence in his life. I wish only the best for him and hope that my influence is a positive one in his life.

Affirmation for Bill: I am grateful for the presence of Allie in my life. She reminds me of what I can do and become in a way that inspires me to my highest potential.

Eighth Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allie is the Pluto Card to Bill in the Spiritual Spread

This connection produces a sort of 'fated' quality to relationships. Because of a past life of being together, Allie and Bill may feel drawn together by some unexplainable force, in order to complete some issues they left unresolved in that former time together. Essentially, there was unfinished business in which Allie was a catalyst for Bill's transformation on a deep level. In this lifetime this business may have a chance to be completed if both partners are aware of this connection and its implications.

Allie represents certain qualities or characteristics that are a part of Bill's personal transformation in this lifetime. She may challenge Bill at times, making him feel confronted or even threatened. This may or may not be intentional because in Pluto relationships merely the presence of the Pluto person is enough to effect a lot of change in the other person. Each of us has a Pluto Card that represents an important area in our life where we need to die and be reborn in some way. It represents something or things that we need to let go of or change in order to progress to the next step in our evolution. Someone who is our Pluto Card will in some way remind us of this change we need to make and at the same time, act as a catalyst to get that change happening.

Bill may feel that there are qualities about Allie that he wants for himself. She may do things or have qualities that Bill would like to do or have. Indeed, he may have attracted Allie to encourage these things within himself. However, we know that Bill will have to make some fundamental changes in himself if he is ever to have these qualities or things. That means that he must do things differently in his life. Allie will remind him of this and he may not always appreciate this reminder. Even though Bill may realize that Allie is playing an invaluable role in his life in helping him to change, he may resist this change at times. Sometimes Pluto acts as an unrelenting force that keeps confronting us over and over again. When this is the case, we may feel like a caged animal and lash out at anyone who appears to be coming at us. This can be the case with Bill and Allie, but this usually only happens in extreme cases.

If Bill is aware of Allie's role as defined by this connection, he can use this valuable connection to effect great and wonderful changes in his life. This can be the most valuable relationship of his life and help Bill achieve his dreams and ambitions.

Affirmation for Allie: I realize the unusual role that I play in Bill's life and consciously direct my thoughts, words and deeds to perform this role in a loving and compassionate manner. I am inspired by the work he is doing on himself.

Affirmation for Bill: I accept Allie as a catalyst for my own personal transformation. I consciously apply myself to my inner work while being grateful for Allie's presence in my life. With her, my transformation is accelerated many times over. I accept this change as my own personal responsibility.
