Enhance Sexual Energy Flash Spell by Allie Theiss © Allie Theiss LLC, 2024

Ingredients:

- **Neroli Essential Oil:** Known for stimulating sexual desire and elevating mood.
 - **Orange Candle:** Represents and intensifies sexual energy.
 - **Rose Petals:** Symbolize love and passion, enhancing the sexual atmosphere.
 - **Words Spoken:** Personal affirmations or desires related to your sexual energy.
-

Instructions:

1. **Begin in a Quiet Space:** Choose a peaceful area where you won't be disturbed, preferably under the moonlight to harness its natural energy.
2. **Focus Your Intentions:** Take a deep breath and concentrate on your desire to amplify your sexual energy. Allow this desire to fill your heart and mind completely.
3. **Prepare the Orange Candle:** Anoint the orange candle with Neroli essential oil. Start in the middle with nine strokes up as you turn the candle. Start again in the middle with nine strokes down as you turn the candle. As you do this, keep your desire in mind, infusing the candle with your intention.
4. **Light the Candle:** Light the orange candle, symbolizing the ignition of your sexual energy. Let it burn safely for a while as you meditate on your wish.
5. **Visualize Your Wish:** Hold your hands around the candle (without touching the flame) and close your eyes. Visualize your sexual energy intensifying, imagining the details of this energy flowing through you.
6. **Recite Your Affirmation:** Whisper an incantation that resonates with your intention, such as: "Flame of orange, burn so bright, Enhance my sexual energy tonight. Moon's glow and star's embrace Fill me with passionate grace."
7. **Trust and Be Open:** Extinguish the candle after nine minutes or let it burn out in a safe place and trust that your desire is now part of the universe's energy. Be patient and open to experiencing increased sexual energy, understanding that it may manifest in various forms.
